INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In accordance with applicant's duty of disclosure under 37 C.F.R. §1.56, please find attached hereto form PTO-1449 listing information which may be material to the patentability of this application, filed concurrently herewith. Also enclosed are copies of each of these cited patents and articles. This Information Disclosure Statement is being filed:

<u>X</u>	Within three (3) months of the filing date of the national application;						
	Within three (3) months of the date of entry of the national stage as set forth in 37 C.F.R. §1.491 in an international application;						
	Before the mailing date of a first Office Action on the merits;						
	After the filing date or date of first Office Action, but before the mailing date of a final action under 37 C.F.R. §1.113, provided that this occurs prior to the issuance of a Notice of Allowance and						

It is applicant's belief that none of the citations listed in the enclosed PTO-1449 form describe that which is claimed in the present invention.

It should be understood that attention has been called to the references that have been deemed to be pertinent to the claimed present invention. In concluding what was pertinent, the criteria employed was considered most appropriate in light of the invention shown in the present application. However, the Examiner or others may deem some other criteria to be just as appropriate or more appropriate. Therefore, the Examiner is respectfully urged to review the listed references and to make the usual careful independent search for other prior art that may be pertinent.

Respectfully submitted,

March 2, 2004
